

# ICABE 2022

MARCH 25-27, 2022  
CROWNE PLAZA SHANGHAI, CHINA

## The 2022 4th International Conference on Applied Business and Economics

The 2022 4th International Conference on Applied Business and Economics-ICABE 2022, which will be held from March 25-27, 2022, in Crowne Plaza Shanghai, China.

The scope of the conference covers low-level technological issues, such as technology platforms, internet of things and web services, but also higher-level issues, such as business processes, business intelligence, value setting and business strategy. Furthermore, it covers different approaches to address these issues and different possible applications with their own specific needs and requirements on technology. These are all areas of theoretical and practical importance within the broad scope of e-Business, whose growing importance can be seen from the increasing interest of the IT research community. The conference will be held every year to make it an ideal platform for people to share views and experiences in E-Business and Applications and related areas.
